On Saturday, February 18, 2017 and thereafter on the third Saturday of each month (except December), from 11 am-1 pm, *Genealogy Garage* workshops for researchers at all levels of expertise are held. Whether you are a beginner or have been researching for years, here is an opportunity to “tune-up” your current research skills or learn something new about family history research.

Workshop leader Charlotte Bocage is the Education Chair for the Southern California Genealogical Society and a veteran researcher in archives and libraries across the country. *Genealogy Garage* is designed to be interactive, so bring your questions! Please RSVP as noted below. At the end of each workshop there will be a tour of the Genealogy dept. conducted by Charlotte Bocage. Stay and we will help you research afterward.

Directions and parking info available at <http://www.lapl.org/central/>.

Park UNDER the library, enter at 524 Flower St. just south of 5th Street. You need a LAPL card to receive the \$1.00 Saturday parking rate. Apply for the card at your local LAPL or at the Circulation Desk when you arrive. Just bring identification. Show your library card to get your parking ticket validated at the Information Desk before returning to your car. Take the escalator or elevator down to Lower Level 4. Inquire at the main reference desk for our location.

Please travel light. This is a public building—it is NOT recommended that you leave computers, purses or other personal items unattended while researching.

RSVP: CALL Central Library Info: 213-228-7000, then ask for the History and Genealogy Dept. Ask for reservations for the *Genealogy Garage* workshop on [give the specific date]. Leave your name and an e-mail address or phone number so you can be notified in case the workshop is cancelled.
