Today is Thank a Volunteer Day

It takes a village to make a successful Jamboree. Well over 150 volunteers worked to make this a great event. Help us recognize their hard work. Look for purple "Volunteer" name tag ribbons, and give a well-deserved pat on the back when you find someone wearing one.

We especially want to thank the Jamboree Committee, who worked thousands of hours throughout the year. We could not have done it without you.

We also want to take this opportunity to thank the members of the Burbank High School Key Club who worked very hard throughout the weekend.

Finally, we send our thanks to the management and staff of the Marriott, who have been resourceful, accommodating, understanding, proactive, and great partners in this event.
