

You saw the shirts at Jamboree, and now you can have your own golf shirt or t-shirt with family surnames displayed proudly for all to admire. Use this form to order the graphic designs that will appear on your shirt.

After the design work is done, you will be able to order as many shirts as you want, any time you want. The shirt will always be available so your cousins and kin can place orders for the next family reunion, genealogy conference, society meeting, or family gathering. No one has to collect money from the relatives. No one has to worry about shipping and delivery.

*****NOTE*** This order form is for the graphic design only.**

You will purchase your shirt directly from CaféPress.com.

**When you place your order,
you can select the quantity and size(s) you want.**

Step 1 – Select which graphic you want to appear in the position of the pocket on the front of the shirt. You have several choices, as indicated on the order form, or you can choose to have no logo at all.

Step 2 – Provide the spelling of your family surnames for the large graphic on the back of the shirt. (The graphic design looks best with 20 or fewer names.) Have lots of surnames? Think about ordering two shirts, one for each family line.

If you have email, please email the names to jamboree@scsgsgenealogy.com. Use appropriate capitalization (not ALL CAPS please) and put one surname on each line. If you don't have email, then print the names as you wish them to appear on the back of this form. PLEASE PRINT LEGIBLY and verify all spellings.

Step 3: When we get your order, we will create the graphic and email it to you for approval before the shirt is created. That will give you a chance to correct any misspellings. Once you review and approve the design, we will create the shirt on CaféPress.com and send you a link so that you can place your order. Please allow a few days for us to create the graphic design.

NOTE: All Shirts must be ordered through CaféPress.com either by online shopping or by placing a telephone order.
